

May 2020 Message from President Howie Hirsch

A huge THANK YOU to Rabbi Dubin, Student Cantor Noa Dubin for holding Friday night Shabbat and to and Cantor Nancy Dubin for conducting Saturday evening Havdallah services. Seeing everyone online makes my week. Thank you also to everyone involved in the second night virtual seder of our Passover celebration.

As many people are feeling isolated, please reach out to a few folks in the congregation to check and see how they are doing. Especially check in with the members who are at a higher risk. Check with the folks who live near you and see if there is anything you can do. If you are going grocery shopping, maybe you can pick up some items for someone close to you so that they do not have to travel outside of their home. Let's make sure we take care of each other while staying safe and not spreading this virus.

Everyone wants to do something, and right now the best thing you can do for your fellow neighbors and congregants is to stay home.

Please follow the [CDC guidelines](#) and practice social distancing. If we do, hopefully we will all be able to be healthy when this pandemic is over.

I miss you all and hope that we can all get together sometime soon.

Virtual hugs to all,

Howie
